ABOUT US

The Cambridge Secondary 1 curriculum is an internationally recognized program of advanced studies administered and assessed by the world renowned University of Cambridge. Cambridge certification has been recognized for the past fifty years and valued for its high standards, lifelong skill and abilities developed by students who complete the program. Successful completion of the Cambridge program is proof of a high quality education that encourages complex problem-solving and evaluation skills valued by the academic and business world in over 140 countries. At Pinellas Park Middle, the Pre-AICE program will expose students to a challenging and rigorous curriculum through inquiry-based instruction in the areas of English, Mathematics, Social Studies, and Science. Students will also have opportunities for hands-on learning both in and outside of the classroom.
