

Good Afternoon!

Congratulations! Your student is scheduled to attend Northeast High School for the 2021-2022 academic year.

At Northeast we are initiating registration and course selection through Microsoft forms. The course selection form may be reached by following the link provided below. We will be unable to come out to your school this year, so please share this information with your student scheduled to attend Northeast next year. (2021-22 school year)

A few items of note:

- Visit our web page to learn more about our school <https://www.pcsb.org/Page/221>
- Explore the Northeast High School JROTC program. Follow this link to learn more!
<https://www.pcsb.org/Page/34065>
- Northeast High School has been selected to be a site for PRE AP courses for the 2021-2022 school year, as a result our selections for English, and science are limited. The form will say honors at the moment, but once finalized, we will change the course titles to Pre-AP English, and Pre-AP Biology (There currently is not a regular English or World history offering).

A link for your student to complete registration is below.

https://forms.office.com/Pages/ResponsePage.aspx?id=BZM8c9c5GkaGb_3ye_PH-XSAOcfExdLI4PGQ68pVndUNIBIWjdOWkJaMkc5QUtQWE02QVc2UzNRVi4u

Please see attachments below of other forms to assist your student in choosing courses for ninth grade.

The registration form is easy to navigate, but if students have any question they can contact NORTHEAST for assistance. (727-570-3138)

Note: This registration will only cover those students going for a standard high school diploma. Students who will be in our Access program will have courses individually scheduled by our VE specialists.

Thank you,

Barbara Muhly
Assistant Principal for Curriculum
Northeast High School
