Message to families that chose Brick and Mortar

Good evening Jaguar Nation this is Principal Wilson of TMFMS. Thank you for your choosing to send your students to the building for learning for the first nine weeks of school for the 2020-21 school year. I am sure this was not an easy decision to make but the staff are/will do everything within our power to maintain a clean, safe and sanitized school for our students. We are doing everything possible to encourage social distancing and to sanitize the school as often as possible. I would like to encourage your child to bring in their own hand sanitizer and wipes to wipe down any surfaces that he/she may come into contact with. Please remember students are required to wear masks once they come onto campus. There will be detailed information concerning 6th grade orientation, parent monthly meetings, arrival, dismissal, breakfast and lunch procedures in August.

In efforts to ensure that all students that chose MyPCS online have the devices that they need, I am collecting the computer devices from all students that are returning to Brick and Mortar in August. Computer devices are to be returned to the school Tuesday, August 4th - Thursday, August 6th from 9:00 a.m. – 3:00 p.m. in the car circle. Please do not get out of your car. A staff member will come to your car and collect the device. You will receive a receipt for returning your device. Staff will need to check off the list so this will take a few minutes. Staff will need the student's first and last name (If you can write the first and last name on a sticky note and place it on top of the computer this will expedite the process). All students will receive a brand-new laptop during the first semester. The students that are physically in the building will receive the first wave of computers. If you do not return the borrowed device you will not be eligible for the new device. Please assist us by returning the borrowed device to the school next week. Thank you for your time. Enjoy your evening.
