

Callout 04_07_2020

Good evening Jaguar Nation this is Mrs. Wilson, Principal at TMFMS calling to say thank you for a successful first week of Digital Learning! Our Staff appreciates your continued patience and commitment throughout this transition. You did an incredible job supporting your students. THANK YOU!

Attendance matters every day. Your child's attendance will be recorded each day. It is important that each student logs into each class through Microsoft Teams, even if the class is not scheduled to meet for that day. Your child's teacher(s) are available for assistance and questions during the hours of 9:00-11:30 AM and 1:00-3:30 PM, Monday- Friday. Please contact teachers through email or focus, if you have questions about a specific class or assignment in a class. If you have any questions regarding general school information, please call our main line at (727) 552-1737. Ms. Johnson, our front office clerk is answering this line.

Final grades for the third grading period are now posted in Focus. Please check FOCUS now, if you have not done so for the 3rd grading period. Please congratulate students who have demonstrated successes and discuss a plan for students who demonstrated some challenges. Copies have been emailed to families whose email addresses we have in FOCUS. Hard copies of the report card will not be printed.

PRIDE Award Recipient Recognition

Every year ten high achieving Pinellas County eighth grade students from our school are recognized at the annual PRIDE Awards ceremony. Students are honored in the areas of math, science, social studies, writing and world languages. Our annual PRIDE Awards Ceremony for the school district was to occur April 1st. While it does not replace the evening celebrating our students, Dr. Grego sent a video message to our 2019-20 PRIDE Award recipients and their families.
