

Callout 02_10_2020

Good evening Jaguar Nation this is Mrs. Wilson, Principal at TMFMS. Happy Monday. Please help us celebrate our Thespian Group that scored all superior and excellent ratings this past weekend. Golden Leader parents thank you so much for the wonderful turn out last week. I am so excited for our leaders and the progress they are making. Parents I need your help with our students horseplaying, flaming each other, and physical fighting. Please have a conversation with your child on the importance of keeping their hands to themselves and not participating in horseplaying and flaming (saying mean things back and forth to each other). Also, we are having numerous amounts of students out of dress code with sagging pants, rips in pants and crop tops. Please make sure students are adhering to the dress code or they may receive a detention as a consequence. Let's continue to ensure safety of all on campus and to dress for success.
