

Callout 08_19_19

Good evening Jaguar Nation this is Mrs. Wilson, Principal at TMFMS. Thank you for a great opening. Students are off to a great start. Please assist us insuring students are ready for learning by having appropriate materials and dressed for success (no shorts, no holes, no rips, no leggings, no jeggings, no tights). Balancing of classes are occurring and counselors will be in contact if this impacts your child's schedule.

I would like to clarify our safety drill procedure.

Consistent with district recommendations, we will not announce the dates and times of our drills in advance. However, we **WILL** begin each exercise with an announcement over the intercom clearly stating that we are conducting a drill.

Students will be made aware that a drill is taking place. If you have questions or concerns, please call the front office during regular business hours 9:00 – 4:30 p.m.

For more information on all district safety initiatives please visit pcsb.org/safety. Thank you.

Please remember that students cannot be dropped off in the parking lot nor can students be walked across the cross walk into the parking lot. Parents please do not pick up students on 38th Street. Students are crossing in the street in dangerous situations.

Please make sure you have turned in your child's first day packet to the front office.

Thank you and enjoy the remainder of your evening.
