Dear Parent/Guardian,

I regret to inform you that the Gradventure Field Trip scheduled for Friday, May 8<sup>th</sup>, has been cancelled due to the threat of COVID-19. This decision was made to ensure the safety of our students, not only at Thurgood Marshall Fundamental Middle School, but for all Pinellas County district schools. While we know your child was looking forward to this exciting evening, the Pinellas County School district will always err on the side of caution to keep your child safe and well.

You will receive a full refund (via a school check) for any funds you have paid towards this field trip. We thank you for your understanding in this very important decision rendered.

Respectfully,

Nicole Wilson  
Principal
