Re: Interim Head Coach, Varsity Football

Contact: Ms. Mucerino, Assistant Principal

Date: 28 JUL 2025

We are pleased to announce that Michael Davis has been named the Interim Head Coach for the Osceola Fundamental High School Football Program, following the recent resignation of Head Coach Cody Montgomery. Coach Montgomery has accepted a position in the private sector, and we extend our deepest gratitude for his years of dedication, leadership, and positive impact—not only on the football program but across the entire Osceola school community. His commitment to building strong student-athletes and fostering a culture of discipline and sportsmanship will leave a lasting legacy.

The appointment of Coach Davis to the interim role is a natural and thoughtful step to ensure continuity and stability for our players and coaching staff. A respected member of the Warrior coaching team, Coach Davis has served as the offensive line coach for the past five seasons and brings both experience and heart to the position. He has already begun working collaboratively with the rest of the coaching staff to ensure a smooth and focused transition as we prepare for the upcoming season.

In accordance with district policy, the head coaching position will be formally posted after the conclusion of the season, and an extensive and thorough selection process will be conducted to name the permanent head coach.

We are excited about the leadership Coach Davis brings and look forward to a successful season under his guidance.
