Good evening, Warrior Families,

This is Julie Finley, your Assistant Principal, with a testing update.

- On Friday October 6th and Monday, October 9th, all 9th, 10th, and 11th grade students will be taking the PSAT during school. Testing locators have been placed in several locations around campus, please have students check these locators for both testing location and testing date. There will also be a follow-up callout to the testers and families to let them know what date they will be testing. Students must bring their school issued laptop, fully charged, along with their power cord on the day of testing. A calculator will be accessible on-line; however, the students may bring a College Board approved calculator if they wish. Please make sure students get a good night’s rest, eat a good breakfast, and arrive on time for testing as the test will begin promptly at 7:25am. Be sure to bring a snack with you to have during break.

- As a reminder, for those students not testing and/or those who have finished testing, a regular school day will continue, any absences will be counted. If a student needs a PTL please notify, via email, your alpha clerk prior to testing day.

If you have any additional questions, please contact your student’s alpha clerk. Enjoy the remainder of your evening, stay safe, and We are Osceola Home of Academic Success, and Warrior P.R.I.D.E.
