

Good evening, Warrior Families,

This is Julie Finley, your Assistant Principal, with the Sunday call out.

- Remind students that cell phones/electronic devices/ear buds must be off and away. In some classes that may be in a cell phone caddy or in a student's backpack. Our goal is to ensure the reduction of distractions during instructional time.
- Please review dress code policy with your student. Details are available on the website and a link is available in the accompanying email.
