TMS Vision – “Ensuring Success for All Scholars”

April 27th, 2020

Dear Parents and Guardians,

As previously communicated, I regret to inform you that the Gradventure Field Trip scheduled for Friday, May 1st has been cancelled due to the safer at home order from the Governor. While we all were looking forward to this exciting evening, the Pinellas County School district will always err on the side of caution to keep your child safe and well.

You will receive a full refund (via a school check) for any funds you have paid toward this field trip. We thank you for your understanding in this very important decision rendered.

Please complete this form and email to Cranchezy@pcsb.org, no later than Friday, May 1st, 2020 by 12:00 p.m. This form must be received for a cancelled field trip, before a refund can be processed. *Non-response to this document: Refunds under \$10 will be donated to unrestricted donations and refunds of \$10 or greater will be turned over to the state as unclaimed assets.*

To ensure the refund is issued to the correct person, please complete the portion below and return this form to Mrs. Cranchez, School Bookkeeper, at Tyrone Middle School-The Center for Innovation and Digital Learning
