

STUDENT PARKING

Student parking is a privilege provided to any TSHS student. Students committed to academic and personal responsibility will maintain the privilege to park on campus. Failure to adhere to the parking regulations will be subject to disciplinary action.

All parking permits coordinate with the assigned parking space number. Example – a parking permit tag #5 will coordinate with parking space #5.

All decals are to be displayed from the rear-view mirror of the registered car. Stolen decals are to be reported to the **assigned grade level administrator** immediately. The fee to replace a lost or stolen tag is \$6.00. Rules and procedures will be enforced by TSHS Administration, SROs, and TSHS Campus Monitor.
