PINELLAS PARK HIGH SCHOOL

6305 – 118th Avenue North
Largo, FL 33773
(727) 538-7410

Principal
Brett Patterson
Assistant Principals
James Adams
Cassandra Bogatz
Kim Leitold
Paul Peppers

Dear Patriots,

We are excited to have you be part of our PPHS family! Your transition from middle school to high school will be something you will always remember, and we are proud to share that experience with you. Success in high school goes beyond the idea of getting good grades. To be successful, you must be involved in something that interests you. Pinellas Park High School offers, visual and performing arts, career technical classes, sports, content elective classes, 30 college level courses and more than 40 clubs. The more involved you are in school, the more success you will find on your path to tackling high school and preparing for college, career and life.

This is my 16th year as a Patriot. I taught at PPHS, I was an Assistant Principal at PPHS and I am now headed into my 7th year as Principal of PPHS. I am committed to your social, emotionally and academic success as a Patriot. The dedicated faculty is ready for your arrival and will provide an exceptional learning experience for you every day. PPHS is a leader in equity and differentiated instruction. That translates to finding a way to engage and support every student, so you have the tools and opportunity to reach your goals and potential.

Thank you for choosing Pinellas Park High School. I appreciate your commitment to your school. I look forward to meeting you and working with you over the next four years.

Sincerely,

Brett Patterson
Principal
Pinellas Park High School

PINELLAS COUNTY SCHOOLS

The School Board of Pinellas County, Florida prohibits any and all forms of discrimination and harassment based on race, color, sex, religion, national origin, marital status, age, sexual orientation or disability in any of its programs, services or activities.

Pinellas Park High School Resource Guide

Office hours: 6:30am to 3:00pm

School Address: 6305 118th Ave, Largo, FL 33733

School phone: (727) 538-7410, School fax: (727) 507-4563

Attendance

There are times when circumstances prevent a student from attending school. In case of illness or other family emergency, absence from school is expected and appropriate. However, in high school, attendance is directly related to academic success.

Pass to Leave (PTL)

If a student needs to leave school during the day, the student should email their student's office clerk before the first class period. The email should include the reason for leaving, the time the student will be picked up, the name of the person coming for the student and a phone number of a parent to verify the note. If a student leaves during the day or arrives late to school due to a doctor's appointment they must bring a doctor's note to the office clerk or in the Administrator's bins in Admin A upon return to school in order for the absence to be excused.

Emails for office clerks are as follows:

Traditional Students A-G: Ms. Atkinson- atkinsonl@pcsb.org

Traditional Students H-Q: TBD

First Responder and Traditional Students R-T: Ms. Simpson- simpsons@pcsb.org

Criminal Justice Academy and Traditional Students U-Z: Ms. Cruz- cruz-riverac@pcsb.org

Absences

In order to excuse your child's absence, you must report the absence to the office clerk within **48 hours** of the absence occurrence. The easiest way to report an absence is by going to our website, and using the menu item on the left that says "Report a Student Absence.". According to School Board policy a tardy, pass to leave, or absence will be **EXCUSED** for the following reasons:

- The student is ill or injured with a doctor's note.
- There is a major illness in the student's immediate family (this means parents, brothers, sisters, grandparents, or others living in the home).
- There is a death in the immediate family.
- The student attends religious instruction or there is a religious holiday in the student's own faith.
- The student is required by summons, subpoena or court order to appear in court. A copy of the subpoena or court order must be given to the principal.
- Special event. Examples of special events include important public functions, conferences, state/national competitions, as well as exceptional cases of family need. The student must get permission from the principal at least five days prior to the absence.

- The student has a scheduled medical or dental appointment with a note.
- Students having, or suspected of having, a communicable disease or infestation which can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard (F.S. 1003.22). Examples of communicable diseases and infestations include, but are not limited to, fleas, head lice, ringworm, impetigo and scabies. Students are allowed a maximum of five excused days for each infestation of head lice. Students on field trips and students who attend alternative to suspension programs are not considered absent.

Any absence that does not meet the above requirements will be considered unexcused.

Pinellas County School Board policy states that if a high school student misses more than four days of school during a semester (this includes both excused and unexcused), the student will not be eligible for exam exemption regardless of their final semester grades.

After an absence, the number of days allowed to make up the work shall be the same as the number of days the student was absent. It is the student's responsibility to see each classroom teacher to arrange for make-up work and turn the completed work in on time.

Absences and Driving Privileges

Any student who accumulates 15 unexcused absences in a period of 90 calendar days will have their name sent to the Department of Highway Safety and Motor Vehicles. The Department of Highway Safety and Motor Vehicles may not issue a driver license or learner's driver license to, and shall suspend any previously issued driver license or learner's driver license of, any such minor student.

Grades

Ninth grade is typically the beginning of grades being calculated and used for satisfying state graduation requirements, college admission, scholarships, etc. One of the primary reasons for less than satisfactory grades in ninth grade is missed assignments. A zero grade is recorded for a missed assignment. Even one missed assignment can have a serious negative effect on the final grade. Students should utilize a system of keeping track of daily assignments, homework and make-up work, as well as scheduling time to review those assignments each night.

The best way to monitor student attendance and/or grades is by logging on to the PCS Portal/Focus system. This is also how you can contact your student's teachers should you have any specific questions regarding his/her grades or attendance. If you have any issue you're your Focus username and password, you can go in to any Pinellas County School to have it fixed.

Students will receive report cards every 9 weeks. Weekly progress reports will also be emailed by Mr. Patterson. In order to ensure you are receiving this update, please make sure your email address is up to date in Focus. You can contact your student's office clerk to update your email.

School Bus Transportation

The transportation department will notify each student by postcard, prior to the start of school, of the bus route, location and time of pickup each morning. If you would like to keep up to date on the daily schedule of your students' bus, you can sign up for the bus bulletin by going to <https://app.busbulletin.com/register.php>.

Students transported by school bus are expected to follow the directions and behavior guidelines set forth by the bus driver. Bus rules are posted in the bus and are necessary in order to provide safe transportation for all students. Failure to follow the behavior expectations may result in a bus discipline referral being sent to the program administrator. Consequences for student misconduct on the school bus will range from a warning to suspension from bus riding privileges and possible suspension from school, depending on the seriousness and frequency of the misconduct.

Students are responsible for arranging their own transportation home from after-school activities or if detained for disciplinary reasons.
