On-Line Class Procedures for Student During Quarantine

- During your time in quarantine we ask that students continue to engage in their class work by using the Canvas on line format.
- Student attendance will continue to be taken by your teachers based on whether or not you log in during your regular schedule class times.
- Students can find their classes by accessing Clever and then connecting with Canvas.
- Students will use your R2D2 log in and password to begin the program.
- You will log in with your district login information. From there you will look for the Canvas icon and go to your courses and live lessons on the calendar within Canvas OR from the home page link within each of your course tiles.
- Many teachers open a link in the morning and leave it open all day. ***At your class time you log in*** and wait in the “waiting room” and the teacher “goes live” and lets you in. Live lesson/instruction start times are listed below.
- If your teacher does not have a Canvas site because it is a purely face to face class, please email your teacher to verify your attendance.
- If you have any technical issues please contact Ms. Brengle via email at brenlev@pcsb.org. You may also work with your teachers through email contact.

Period:	Live Lesson/Instruction Start Time:
1st or 2nd	7:25
3rd or 4th	9:10
5th everyday	10:50
7th or 6th	11:50
