Are you ready for Celebrate Literacy Week?

The week of January 27th begins *Celebrate Literacy Week* in the state of Florida, and we will continue our district-wide celebration with the annual *Million Minute Marathon*.

During the week of January 27, 2020, Pinellas Secondary will participate in the *Pinellas Million Minute Marathon*. In order to participate, students are being asked to read for an additional 20 minutes during the day (beyond regular school work) in celebration of literacy.

These minutes may be accumulated in any of the following ways:

- Students can read outside of class time and report minutes to a designated teacher
- Department wide, planned reading time during a portion of each class on one day (2 days for schools on block).
- Individual teacher, planned reading time during a portion of each class on one day (2 days for schools on block)

The deadline for submitting minutes is Friday, January 31, 2020.

- The name of every middle and high school that participates will be included in a drawing which will occur at the February Leadership meeting.
- One participating middle school and one participating high school will be randomly chosen to receive \$1,500 for expanding and enhancing their schools' classroom libraries.
