June, 2015

*The last day of school is Tuesday, June 2, 2015.  
This is also an Early Release Day; classes will be dismissed at 11:05 a.m.*

## Title I News

Title I is a federally funded program designed to address the needs of students and to increase academic achievement. These additional funds enabled us to hire a full time intervention teacher to work with students individually and in small group settings. We purchased new computers to create a mobile writing lab and were able to provide elementary and middle school students with curriculum to enhance summer learning. Parent workshops were held during the year to teach parents how to support their children's academic progress at home. We appreciate your support and encourage you to contact the school for more information.

Dear Parents,

Summer is here and the kids are all yours! Our teachers and staff have been working hard in sharing high interest reading material that will captivate and keep the attention of your child. This summer we need your help to keep the focus on daily reading and you are their role model. Weekends and scheduled days off should not be an excuse to break the routine of daily reading habits. As we look to finish this academic year we depend upon our parents to help sustain our reading and writing momentum. We have worked so hard this year at all grade levels on setting and achieving our reading, writing, and math goals. When the kids start asking to do things this summer have them put their requests in writing. All of us working together to show the importance of reading can make a difference in each of our students. Enjoy your time together, be safe and most of all have fun! We are honored to work with you child every day. Have a great summer.

Sincerely,

Douglas Keimig, Principal

## We Need You!

Please consider joining our 2015/2016 School Advisory Council (SAC). This is a committee of parents, teachers, administrators, support staff, and community members which assists in the development of our school improvement plan, the parent involvement plan and our school improvement budget. Our School Advisory Council meets on the second Monday of each month at 9:30 a.m. and 2:30 p.m.

Please call the office for more information.
