Dear Parents,

On behalf of the faculty and staff of Calvin Hunsinger School, I want to thank you for a great start to the school year! This year has provided us with many challenges, and I am very proud of the way our school community has worked together to ensure the safety and well-being of students, their families, and staff members.

Our Annual Title I Parents' Meeting and Open House will be held virtually on Tuesday, September 22, 2020. During this meeting parents will receive information on our Title 1 program and will have an opportunity to meet their child's teacher. More detailed information will be sent home with the students and will be available on our website at: <https://www.pcsb.org/hunsinger>.

The 2020-2021 Parent and Family Engagement Plan and Summary have been approved and may be viewed on the school website. Parents may also view them at the Parent Resource Center in the school's front office.

Thank you for your continued support of our school. Please do not hesitate to contact me if you have any concerns or questions.

Douglas Keimig, principal

**Parent/Family
Canvas Training**

Pinellas County Schools has designed a course, just for parents and families, so you know how you can best support your child(ren) in their use of the Canvas system. This course has been created for parents and guardians and includes information about the Canvas Learning Management System and general instructions for using Canvas as a parent/observer. You will not need an account to take the Parent/Family Canvas Training at: <https://pcsb.instructure.com/courses/77992>

Clinic Cards

Each student has received a first day packet with a yellow clinic card. Please fill out the card completely and return it to the school as soon as possible. It is more important than ever that we have current parent and emergency contact numbers for each student.

Stay
Updated

Ensure you have the correct contact information on file to stay informed about what is happening at your child's school. Parents and guardians can receive phone calls, text messages, and emails. Stay updated at:

Pinellas County Schools **Referendum Benefits** **Teachers and Students**

The Pinellas County Schools Referendum is up for renewal. The Referendum boosts reading, art and music programs, provides up-to-date technology and textbooks, and helps recruit and retain quality teachers. Voters have supported the Referendum every four years since its initial approval in 2004. An independent citizens committee oversees Referendum spending to ensure money is spent as voters intended. Every penny of the funding benefits Pinellas teachers and students. For more information, please visit www.pcsb.org/referendum.

School Advisory Council

The next Calvin Hunsinger School Advisory Council meeting will be held virtually on Monday, September 21, 2020 at 9:30 a.m. and 2:30 p.m. Please plan on joining us, your input is vital for our students' success. We are also looking for members for our 2020-2021 council. Please contact Douglas Keimig at 469-4260 if you are interested in participating.
