

## ESE Parent Survey Family Communication

### **Parents of students who receive special education services: Make your voice heard**

Take the ESE Parent Survey at [www.esesurvey.com](http://www.esesurvey.com).

The Florida Department of Education's annual ESE Parent Survey is underway. The survey helps determine how well your child's school is partnering with you and promoting your involvement in your child's education.

The ESE Parent Survey is for parents of students who receive special education services. Your feedback helps the state and the school district improve special education services for students and their families.

The survey is confidential, but PCS receives overall results and makes changes based on your feedback. As a result of feedback, the district has created a helpline to help families navigate special education services and started hosting ESE Advisory Committee Meetings at sites throughout the county to give more families opportunities to participate.

Take the survey at [www.esesurvey.com](http://www.esesurvey.com) or complete the paper survey distributed by our school. The survey closes May 31. If you need a paper survey or want more information, please contact Tracy McMannus at 727-588-6062 or [MCMANNUST@pcsb.org](mailto:MCMANNUST@pcsb.org).
