Just a gentle reminder:

Tickets belong to the **original** purchaser and may not be sold, given or transferred to anyone else. Anyone showing up at the Prom that did not purchase the ticket will not be granted entry.

All guests must show up with the person that purchased the ticket, they may not attend prom by themselves.

All prom attendees must have a photo ID with them to gain entry.

If you have any questions please see Mr. Browett in room A25 before Thursday May 11th.

Because of other activities going on in Gulfport there will be no on-site parking this year. There are two parking lots off site which we will use and there will be a Trolley running all evening from 5:30 P-11:30 P to bring you from the lots and back. There are maps and directions on the back of this letter!

Look forward to an awesome prom and thank you for your cooperation!
