## NOTE

Math Courses will be selected based off 8th grades and assessments. Hope is a graduation requirement recommended either 9th/10th grade.

\*Students could be placed in Math for College Algebra or Liberal Arts depending upon their final Geometry grades.

Courses with a \*\* satisfy the one credit of fine/performing OR practical art needed for graduation.

A reading course may be required based on FAST ELA PM3 scores.

It is the goal Seminole High School to place students in their desired courses. However, at times due to scheduling conflicts we may have to make a course substitution. Schedule corrections are considered only for these exceptions.
