NOTE:

Math Courses will be selected based off grades and assessments up through Algebra 2.

HOPE is a graduation requirement.

Students must aim to earn an AP qualifying score of a 3+ or Dual enrollment credit or earn an industry certification prior to graduation.

Courses with * require 2 periods.

Courses with a ** satisfy the one credit of fine/performing OR practical art needed for graduation.

A reading course may be required based on FSA/FAST data.

It is the goal Seminole High School to place students in their desired courses. However, at times do to scheduling conflicts we may have to make a course substitution. Schedule corrections are considered only for these exceptions.

***DE Classes require students to meet the admission criteria for SPC. Students must satisfy all requirements prior to May 20th!
