

Two annual scholarships on the page for those looking to enroll in a Certified Nursing Assistant training program?

The amount awarded for both scholarships is \$500. The deadline to apply for the CNA Free Training scholarship is April 2 and the CNA Classes Near Me scholarship is on August 21. A little information about both of my websites:

"CNA Free Training" provides free training materials for those preparing to take the CNA exam, which is a requirement in order to become a licensed CNA. We have free practice tests for each section of the CNA exam, as well as supplemental training materials that can be used while taking CNA classes – all of which are free.
