

# How do I obtain an SPC ID number?

- Submit an SPC Undergraduate\* Application
  - Go to [www.spcollege.edu](http://www.spcollege.edu) and click on the Apply to SPC button on the right.
  - Select “**High School Programs Student,**” and follow the step-by-step procedures. (The \$40 application fee will be waived for dual enrollment students once they are matriculated by the DE office.)
  - Apply using your full name (no nicknames), and check for misspellings. **Also ensure the accuracy of your social security number and date of birth,** as these are used for verification in the login process.
  - Under High School Information, be sure to select your correct high school from the drop-down list, including city and state.
  - Email your seven digit SPC id# to your counselor

\*Please do not **reapply** if you’ve already received an SPC ID number. SPC ID numbers are good for life. Students who previously applied as noncredit only (College for Kids, driver improvement, SPC camps, etc.) prior to 2010 already have an SPC ID number. They must complete a hardcopy undergraduate application using their existing SPC ID number by going to an SPC Business Office **with photo ID** and identifying as a prospective dual enrollment student. If you are unsure if you already have an SPC ID number, please contact an SPC dual enrollment office.
