

2018-2019
Parent Academy
Fall Catalog

Pinellas County School District

Overview

The mission of Parent Academy is to provide parents, families and the community with the necessary tools and skills to support students academically, socially, and emotionally, while building a cornerstone to a healthier and safe community.

Our academy catalog focuses on three key pillars:

Student achievement- workshops provide information and strategies for parents to support their child at home.

Parent advocacy- workshops provide information and strategies to help parents advocate for their child.

Personal growth- workshops build parent confidence and provide them opportunities for personal growth.

Registration Instructions

If you are interested in attending one (or many!) Parent Academy workshops, please register by clicking [here](#) or type the following into your browser <https://tinyurl.com/PCSFallParentAcademy>. For webinars, the meeting link will be sent to the email address you are using for registration. Some community events require separate registration or you are welcome to just drop in. Refer to the workshop description for specific information.

Dates, times and locations are accurate at time of publication; courses listed in this guide are subject to change.

Please pre-register and any updates will be sent via email.

All Parent Academy courses are free of charge and designed for parents, caregivers and community members.

Students are welcome to attend along with their families if appropriate.

For questions, contact Sheila Kane, Family and Community Engagement Coordinator,
at kanes@pcsb.org or 727-588-6000 x1846

Student Achievement

504 & ESE Accommodations: "Leveling the Playing Field"

How do I identify and select appropriate instructional and assessment accommodations for my child? This workshop focuses on the guiding questions that 504 and IEP teams must consider when selecting accommodations based upon the data and the individual needs of the learner. Participants will receive a link to the Florida Dept. of Education Accommodations Guide 2018 4th edition. A review of categories and sample accommodations commonly used will be explored.

Industry Certifications Can Save Parents Money

In the 2017-18 school year Pinellas County middle and high school students earned over 13,400 industry certifications in a wide variety of technical skill areas – Information Technology, Construction, Automotive Mechanics, Cyber-Security, Health Occupations and more. These certifications can save money on tuition when students attend a technical or state college. Additionally, certifications can give graduates an advantage in the job market when seeking that very first high paying job.

Parent Advocacy

School Safety and the Sandy Hook Promise

Because of the Marjory Stoneman Douglas High School Public Safety Act, a number of safety measures have been put into place in Pinellas County Schools, which will result in changes to the daily operations of our schools. We will be discussing these changes and fielding questions. We will also be discussing our new partnership with the nonprofit organization, The Sandy Hook Promise and what that means for PCS students, staff, and families.
