SAFETY

Busch Gardens Tampa Bay is committed to the health and safety of our guests, employees, and the animals in our care. These protocols and guidelines will be modified based on evolving industry standards and methodologies, public health and governmental directives, and advancing scientific knowledge on the transmissibility of COVID-19.

We are excited to continue to provide our guests with fun, inspiring and memorable experiences, while addressing important health and safety needs during this time.

*We recommend that face coverings be at least two-ply (consist of at least 2 layers).
