

# SUMMER reading

## English I, II, III, IV & Select Cambridge Courses

This summer, students are to read **two** books of their choice, including novels, literary non-fiction, or memoirs—ensuring they're appropriate for their grade level.

Recommended titles are available from Florida Teen Reads, and the digital library on Sora offers a wide selection of eBooks accessible on various devices.

Enjoy your reading adventures!

## Summer Reading Assignments

Students must complete a Summer Reading Assignment for each book, due on August 18, 2025.

- Assignment 1: Summer Reading Novel Soundtrack
- Assignment 2: Summer Reading One Pager

Both assignments should accompany the chosen book, with detailed instructions available on the school website for your students course.
