November 2019

Dates to Remember

The Bauder Vision is Building 100% Success with Quality and Honor!

Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.

Dear Bauder Families:

Engaging and robust are two words that come to mind when I think of all the experiences our students have had at Bauder Elementary thus far this year. Students and staff continue to work extremely hard instructing and learning. I would like to take this opportunity to thank everyone for taking the time to read with your children, check homework, ensure students are completing Dreambox activities, communicating with your child's teacher and countless other things you do as a parent to encourage and support the education of your son or daughter. It truly takes a village to educate your children and the partnership between home and school is so imperative. Thank you from the bottom of my heart for all you do to make it a positive experience for all.

The Booster Cookie Dough Sale went very well. Thank you for your participation and support. These funds help support classrooms, teachers and literacy tutors. Thank you to all those who volunteered with the cookie dough sale and upcoming distribution.

November is one of my favorite months of the year. We will celebrate and honor our Veteran's during next week's Veteran's Day celebration with our chorus and drum circle showcasing their talents, along with the special words from students to their Veterans. We are heading into the holidays that are focused on family, gratitude, and caring. We have much to be grateful for here at Bauder. We have a wonderful, caring staff from our custodians, our support staff, our office staff, to all of our teachers. I am grateful every day for the opportunity to work with all of them and I know your children are in good hands with them. We have such supportive parents and community, with a giving and engaged Boosters at the forefront, to which we say thank you for all that you do to make Bauder the school it is today. Finally, we have incredible students, who challenge themselves every day to learn and be engaged as well as challenging us to become better people. They are why we are here every day!!

Thanksgiving is just around the corner and I want to take this opportunity to wish you and your family a wonderful Thanksgiving. Please, enjoy your family and take the opportunity to build lasting memories with friends and family. We, at Bauder, are so grateful for the community we serve. Have a Wonderful November!

Yours in Education,
Jodi Leichman
