Message from the principal

August 2017

The Bauder Vision is Building 100% Success with Quality and Honor! Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.

Hello Bauder families,

Welcome to the 2017 -2018 school year. We have had a smooth beginning to the school year and it is exciting to see your children so ready to learn. Thank you parents for teaching your children to value their education. We continue our work with the Florida Standards and have high expectations for every child at Bauder. Our theme this year is "*Super Learners- Above and Beyond*". It is our goal that every student learn above what is expected so he/she is prepared to move beyond to middle school, high school, college, career and life. We know this works best when we partner with you, our families, to create a learning experience that meets the needs of each child.

This year we will continue the work of Project Based Learning (PBL) as we create learning experiences that use 21st century skills to acquire knowledge, solutions and habits of excellence as we become more reflective in regards to our work through peer and adult feedback. This work is challenging but the effort is worth the experience and the learning opportunities it provides.

This school year we are also excited to return to the Reading Units of Study. This is the literacy work that has been researched and grown through Teachers College at Columbia University. We are excited about what this work will do for children in literacy. Your child's teacher will speak with you about this at Open House and if you have any further questions please contact me. I am very excited about what I have seen this work do for children.

Bauder remains a school that is dedicated to the Seminole Community. We remain part of the Seminole Eco-System so that we can join with other Seminole community schools to support children as they transition from one educational setting to the next. We look forward to the many opportunities that this school year has to offer and we are here to serve your children. If at any time you have a concern or a great idea to share please contact me, Lisa Bultmann- (727) 547-7831.

Welcome to the 2017 -2018 school year. Together, we can make it a GREAT YEAR. Here's to a year of being - "*Super Learners - Above & Beyond.*"

Bauder Safety

Supervision: The safety of children is everyone's responsibility and we need everyone to support our efforts in this. Please understand that supervision of children does not begin at Bauder until 8:05 a.m. in the morning. Dropping children off before this time compromises their safety. Bauder staff members have meetings and conferences in the mornings and children dropped off before this 8:05 a.m. time means that adults are not on duty.

Car Circles: The Bauder staff is working hard to make drop-off and pick-up in the mornings and afternoons safe and timely. Your help is greatly appreciated. We ask that you stay in your cars if you are using the car circles. Your child will be delivered or called over the microphone to your car for pick-up. Use of a name tag with your child's first/ last name and grade in the windshield will greatly expedite this process in the afternoons. Please remember that no student is allowed to walk in any parking lots without an adult. Please do not tell your child to meet you in a parking lot. Thank you for helping us keep all children safe.

Character Word of the Month: **RESPECT**

Treating yourself and others with courtesy and consideration.

9/11 Day of Giving

Community Project

This year we will be collecting donations for Pack-A-Sack. This donation drive will run from 9/11/17 through 9/15/17. A flyer will be sent home with additional information.

**Save the Date: August 28th
New Volunteer Orientation
8:40 a.m. in the cafeteria.**

News from the Cafeteria!

As a reminder, we serve breakfast to all students **FREE OF CHARGE** every morning with a variety of hot and cold items. Breakfast begins at 8:00 a.m., so come a little early and take advantage of our great offering. Remember to either send in lunch money with your child, or you can pay online at www.myschoolbucks.com. Lunch is \$2.00 a day. We have some new things on the menu this year. Menus and nutritional facts can be found on the app nutrislice or through pcsb.org. See you in the cafeteria!

Student Fall Pictures

Every student will have his/her picture taken on Thursday, Sept. 7th. Order forms will be sent home. Extra forms will be available in the office. Please send your completed form with payment made out to Strawbridge Studios with your child on Sept. 7th. To pay online with a credit card, visit www.strawbridge.net.

P.E. News

Parents/Guardians, please remember that students are required to wear proper footwear for Physical Education class. Boots, sandals, flip-flops, crocs, or shoes with heels are not permitted for safety reasons. If the ground is wet/muddy, it is recommended that your child brings an extra pair of socks and shoes to school with them to change into, if needed.

If your child is not feeling well and needs to be excused from class or you would like them to "take it easy", please provide a note with an explanation of the situation. Also, if your child is out for an extended period (5 school days or more) due to illness or injury, please provide a note (from a parent/guardian or a physician's office) stating that they are allowed to resume P.E.

Thank you so much for your cooperation! We are looking forward to another fantastic year in P.E.!

BOOSTERS

Come one, Come ALL!

Bauder Boosters is hosting our first fundraiser of the year – **The Bauder AUCTION.**

When: Friday, Sep. 15, 2017

Time: 6 p.m.

Where: Bauder Cafeteria

Come bid on a teacher, staff member, basket and/or community activity! Food such as pizza and Chick-Fil-a will also be sold.

Auction letters have been sent home from all grade levels – please support Bauder by donating to our classroom baskets.

If you have any questions or would like to donate items from your business, please contact our Chairperson, Liz Sorenson at liz24@yahoo.com.

Clinic News

NO STUDENT SHALL TRANSPORT MEDICATION (including over the counter medications) TO OR FROM SCHOOL.

A parent needs to hand deliver all medications to the front office and fill out the appropriate paperwork.

FYI: Sunscreen **NO** longer requires a prescription from a physician. We encourage our students to protect their skin from the strong Florida sun!

If you have any questions please feel free to contact Nurse Bridget or Sue at 727.547.7829 x2009
