## **Message from the principal**

*November 2017*

### **Dates to Remember**

**The Bauder Vision is Building 100% Success with Quality and Honor! Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.**

Dear Bauder Families,

Your children have grown so much since August. They have grown physically, socially and academically. We are so proud of the work that they are doing as we work hard to become *Super Learners Going Above and Beyond*. It is truly amazing to see how far they have come and all that they have learned. Your support is instrumental in their growth. Thank you so much for partnering with us as we work together to educate children.

The Booster Cookie Dough Sale went very well. Thank you for your participation and support. These funds help support individual classrooms, classroom teachers and literacy tutors. Thank you to Boosters for all their hard work to support Bauder. Thank you so much to a community that supports education.

The Bauder Auction was a great success. Thank you to everyone that worked so hard to make this a success and a fun evening. Thank you to Bauder Boosters, the Bauder staff and the Bauder community for contributing to this event.

Thanksgiving is just around the corner and I want to take this opportunity to wish you and your family a wonderful Thanksgiving. I want to express my gratitude for the continual support from this community to Bauder as we journey and learn together. Please, enjoy your family and I hope you have the opportunity to take time to build lasting memories with friends and family. We, at Bauder, are so grateful for the community we serve. Happy Thanksgiving.

With children in mind,  
Lisa Bultmann
