November 2018

Dates to Remember

The Bauder Vision is Building 100% Success with Quality and Honor!

Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.

Dear Bauder Families:

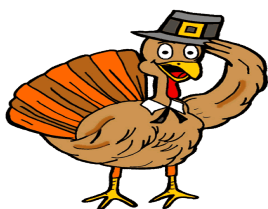

Engaging and robust are two words that come to mind when I think of all the experiences our students have had at Bauder Elementary thus far this year. Students and staff continue to work extremely hard instructing and learning. I would like to take this opportunity to thank everyone for taking the time to read with your children, check homework, ensure students are completing ST Math activities, communicating with your child's teacher and countless other things you do as a parent to encourage and support the education of your son or daughter. It truly takes a village to educate your children and the partnership between home and school is so imperative. Thank you from the bottom of my heart for all you do to make it a positive experience for all.

The Booster Cookie Dough Sale went very well. Thank you for your participation and support. These funds help support classrooms, teachers and literacy tutors. Thank you to all those who volunteered with the cookie dough sale and distribution.

November is one of my favorite months of the year. We were able to celebrate and honor our Veteran's during last week's Veteran's Day celebration with our chorus and drum circle showcasing their talents, along with the special words from students to their Veterans. We are heading into the holidays that are focused on family and gratitude and caring and we have much to be grateful for, here at Bauder. We have a wonderful, caring staff from our custodians, our support staff, our office staff, to all of our teachers. I am grateful every day for the opportunity to work with all of them and I know your children are in good hands with them. We have such supportive parents and community, with a giving and engaged Boosters at the forefront, to which we say thank you for all that you do to make Bauder the school it is today. Finally, we have incredible students, who challenge themselves every day to learn and be engaged as well as challenging us to become better people. They are why we are here every day!!

Thanksgiving is just around the corner and I want to take this opportunity to wish you and your family a wonderful Thanksgiving. Please, enjoy your family and take the opportunity to build lasting memories with friends and family. We, at Bauder, are so grateful for the community we serve. Have a Wonderful Thanksgiving!

Yours in Education,
Jodi Leichman

**Dates To Remember**

6/3-6/6—Science Camp

6/10-6/13—Tech Camp

CLINIC REMINDERS:

WATER: With the Holiday and weather changes approaching we strongly encourage our students to bring water to school. Drinking water benefits flushing waste out of our system, constipation issues, prevent headaches and dehydration.

DOCTOR VISIT: If/when visiting the doctor's office please remember to provide the school with a note so that your student will be marked excused. If your student received a physical or vaccine always make sure to bring in a copy. ANY physical activity exclusion also needs to be brought to ensure your student sits out and heals quickly.

Hepatitis A:

Pinellas County has seen a dramatic increase in Hepatitis A cases across the county. To combat this rise in positive cases, the Florida Department of Health in Pinellas is recommending prevention and vaccination. They are offering the two-dose Hepatitis A vaccine at **no cost** to adults and children. The usual \$70.66 cost for adults is waived to remove the cost barrier; vaccines are always provided to children through age 18. No appointments are needed to get the vaccine at the DOH. More information can be found at this link:

Boosters Update:

Boosters is proud to announce our school earned about \$12,500 from cookie dough sales and donations. Thank you for your support. With this fundraiser, Boosters were able to fund 16 teacher grants. This included items for technology, books, bouncy chairs, PE equipment and much more. The staff is very thankful to be receiving these grant funds.

Boosters also supported Math Night, Veteran's Day, and the Great American Teach In. With the support of family and friends going to spirit nights and participating in fundraisers, it makes it possible to support our school community.

Please continue to send in Box Tops and shop through Amazon Smiles Bauder Boosters to help raise money for our school.

Keep an eye out for Bauder's Annual Book Fair coming on Dec. 10th. Family Night is on Thursday, Dec. 13 from 5-8 p.m.

Clothes to Kids

Clothes to Kids provides new and used clothing to low-income, school-age children free of charge. They provide a week's worth of clothing two times per year, including a jacket during cooler weather. The store is located at 2168 34th St. So. in St. Petersburg. Shopping at the store is by appointment only. Provide proof of free/reduced lunch and call 441-5050 for an appointment. Donated clothing is also gladly accepted. Go to www.clothestokids.org for more information.

Salvation Army Canned Food Drive

Student Council will be hosting the annual Salvation Army Canned Food drive from Nov. 12-16. Our school goal is to collect 2,000 cans. Last year, we missed our goal by only 500 cans! Please help us reach our goal this year!
