October 2017

Dates to Remember

The Bauder Vision is Building 100% Success with Quality and Honor!

Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.

Dear Bauder families,

Your children came back to school after IRMA with many stories but, so very ready to learn and get back into the routine of school. Thank you so much for the value you place on education. Your values filter down to your children and they are eager learners and participators in their education. The seven storm days out of school did impact some important dates for Bauder. Remember, there is school for students on Monday, October 16 and picture day has been changed to Thursday, October 19.

Most children love Halloween and it has been a tradition at Bauder to allow students to wear costumes. This year we will continue that tradition on Tuesday, October 31. Our Pre-K and kindergarten children will also be having their Halloween Parade on October 31st. It is a fun time. All students grades Pre-K - 5th may wear appropriate costumes. Children wearing inappropriate costumes will be asked to change. Appropriate costumes will not depict violence and/or violent characters. Please, no masks, make-up and/or clown costumes. Classroom celebrations are also a fun time for your children. Bauder has allotted specific times for parties at each grade level and your classroom teachers will inform you of those times.

Many before and after school learning opportunities have begun. Please know that enrollment is limited in these learning opportunities and we ask if you signed your child up for either before or after school opportunities that he/she attend regularly.

The year is just going by so quickly and there is much to learn and do this school year. Your children and the Bauder staff are working hard to support each child as he/she becomes a Super Learner.

With children in mind,
Lisa Bultmann

Boosters Update:

Please help Bauder raise funds to support our Reading Program! We are selling Cookie Dough and other items until Oct. 17th. Students who sell items will earn prizes and may be part of the "pig races" if they sell 15 or more items.

Our rescheduled AUCTION is just around the corner on Friday, November 10th from 6-8pm. Please join Boosters as they auction gift baskets and items such as Sea World and Hotel tickets. You can also bid on your favorite teacher for a "day out for fun!"

Continue to send in your Box Tops. Over the years, Bauder has earned over \$37,000 just in Box Tops – so PLEASE do not throw them away and send in today!!!!

Boosters also earns funds through Spirit Nights at local restaurants in the community. Our next spirit night is at Chipotle on Oct. 18th. Our last spirit night at Jersey Mikes earned over \$214. Thank you for your support!

Please come and be part of our Boosters by attending monthly meetings on the first Tuesday of each month – we would love to see you there!!

ATTENDANCE MATTERS!

Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life. When you make school attendance a priority, you help your child get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating from high school.

When students are absent for fewer days, their grades and reading skills often improve—even among those students who are struggling in school. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. But when kids are absent for an average of just two days of school per month—even when the absences are excused— it can have a negative impact. These absences can affect kids as early as Kindergarten.

For example, young elementary school students who miss an average of just two school days per month often have difficulty keeping up with their peers academically and tend to fall behind in reading.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences—whether they're physical or emotional—and taking advantage of support services—such as free tutoring, student mentoring and afterschool activities—you can help set your child on the path to success.

Student Pictures

The new date for Fall student pictures will be October 19th. The teachers will hold all envelopes that were sent in previously. If you have not returned your envelope yet, please send it in to your child's teacher. Extra envelopes are in the front office.

Principal's List Party Criteria

For the 2017 -2018 school year we will be honoring Bauder 3rd – 5th grade students that make the Principal's List three times within the year with a party. Typically, one of our local Bowling Lanes sponsors this party. This party is in May. Principal's List criteria is all A's in content areas, no mark below an S in specials and no mark below an S in conduct grades.
