Message from the principal

October 2019

Dates to Remember

The Bauder Vision is Building 100% Success with Quality and Honor! Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.

Bauder Families,

I know we are all surprised how fast September has flown by!

We have certainly had a fantastic month here. It's been incredibly busy, but the progress the students have made in just a few short weeks has been astounding! By now, everyone is settling in well to their new classrooms, their new routines and getting down to the business of learning. This year has so much in store, our entire team is excited to witness their growth!

Last week, Bauder students and staff demonstrated many ways of including everyone in our Bauder Family! We started with Hello, Mixed and Mingled with someone we didn't know, created chains of Kindness and even said Hello to someone new, while using their name. All of these activities were Bauder's way of supporting inclusion so that no one ever feels left out! When you are visiting Bauder, please notice the Kindness Chains that are displayed throughout the school.

October is always a fun month at school. We'll be diving in to all things Fall as we gear up to the busy holiday season. At the end of the month, we celebrate our annual Fall Costume parade with our PreK and Kindergarten students. Always a great time, this year we are excited to see how our PreK and Kindergarten students express themselves through their choice of costumes. PreK and Kindergarten parents are welcome to join in watching the little ones parade through the cafeteria and the front mall. Please remember, events like these still require each person to sign in through the office. Just have your photo id/driver's license or Level 2 volunteer badge when you come!

We are looking forward to a great October!

Yours in Education,

Mrs. Jodi Leichman, Principal

THANK YOU

Thank you to all the families that participated in our 9/11 Day of Giving donation drive. We received many donations for Ronald McDonald House and Hurricane Dorian. A special thank you to Mr. Cisneros for boxing up all the items and delivering them.

GREAT AMERICAN TEACH IN NOVEMBER 13TH

Please mark you calendars for Nov. 13th to participate in this great day. The students love to hear about different professions and hobbies. Forms will be sent home next week. Email Patty Gaston (gastonp@pcsb.org) if you have any questions.

Character Word of the Month : Cooperation

Getting along with others and working together to accomplish a goal.

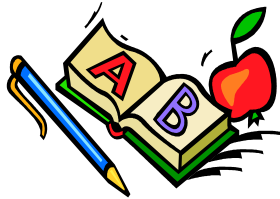

JUST 1 BOOK

We are partnering with Kiwanis Seminole Breakfast Club this year for JUST 1 BOOK. We are asking each family to send in 1 new or slightly used book for pre-school age children. Let's support literacy in our community.

Toys for Tots

Toys for Tots provides Christmas gifts to families with financial need. Children 12 and under qualify to receive gifts. Registration is open. Go to <https://t4tpinellas.ptapta.org> to enter your email address. Time slots fill quickly so do not delay. After approval you will receive a confirmation email which you **must** acknowledge in order to print your admission ticket. If you need assistance or have question please contact Mrs. Jennings, School Counselor.

CLINIC REMINDERS:

Fight The Cold and Flu with Healthy Habits
to Practice Now

Some people have a misconception that if they're healthy, the flu is not as serious. While certain groups are more at risk for getting the flu like people with immune deficiency conditions, this doesn't mean that the flu can't impact healthy people. Even if you are healthy, you are at risk of serious complications of the flu. Below are some simple healthy habits you and your family can take as precautionary measures to help keep you healthy this cold and flu season.

Get flu shots for yourself and everyone in your family.

Practice proper hand washing.

Avoid touching your face.

Cover your coughs and sneezes.

Healthy lifestyle—Healthy living habits can promote a healthy immune system. This means getting enough sleep daily, eating balanced meals and exercising frequently are all things you can do to strengthen your immune system and avoid the risk of catching the flu. In addition, don't smoke. Lastly, eating a diet high in fruits and vegetables can help boost your immune system as well.

Stay at home if you are sick.—According to the CDC, people with flu are most contagious in the first 3 to 4 days after their illness begins. Children and some people with weakened immune systems may pass the virus for longer than 7 days. If you do get sick with the flu, try and isolate yourself to avoid spreading the virus. If you are sick with flu-like illness, PCSB Policy states that you need to keep your child(ren) home for at least 24 hours after your fever is gone.

Halloween—October 31st

A parade with Pre-K & Kdg. students will take place at 9:00 a.m. The parade will circle through the cafeteria and front mall for parents to see. The parade will then go through the building for all other students to watch. Students in grades 1-5 are allowed to dress up with costumes that will enable them to participate in a regular school day. We encourage students to come as heroes or storybook characters. No make-up, masks, weapons, or violent themes. All parents and visitors will need to be checked in through the front office and watch the parade from the cafeteria or front mall.

Parents, please be sure to join Bauder's Official Parent Facebook page! Search for "Bauder Official Parent Page" on Facebook. Please note that in order for your request to be accepted you must be matched to a student in portal/focus. If your Facebook name does not match your official name in focus, you will be asked questions in order to be able to join. This page was created to be a safe Facebook page to share Bauder information.
