### Dates to Remember

**The Bauder Vision is Building 100% Success with Quality and Honor!**

**Bauder will do this by preparing all children for on or above grade level work in middle school and beyond by collaborating as educators and a community.**

Dear Bauder Families,

Irma dealt our community a challenge but we came together and supported each other and made it through the storm and the aftermath. It was difficult but, also a time to celebrate our community and how we were there for one another. The Bauder staff is so excited to be back at school and have your children here with us. The year was off to a great start and we will continue where we left off with lots and lots of learning.

Because of the school days cancelled, we will have to reschedule the Bauder Booster's Auction. As soon as a date is decided we will get that information out to you. The auction is great community event where we auction off some great items and many staff members have come up with creative ideas to auction off time with themselves and children to do fun activities. I hope every Bauder family comes out to this evening to celebrate as a Bauder community. The money raised through this fundraiser helps support our hourly literacy teachers program and provide money for classrooms at Bauder.

Mrs. Heidi Colbeck joins the Bauder third grade team as a new teaching unit. Mrs. Colbeck comes to Bauder from Lynch Elementary School. She has twenty-three years of teaching experience and we are very thrilled that she is joining the Bauder staff. Welcome Mrs. Colbeck.

Parents, we want to thank you for your support in our car lines. They are moving so much quicker. Your help with names and grade levels in windows has certainly expedited this process. Thank you for your help.

As always, it is a joy and privilege to serve our Bauder community. Thank you so much for your support of Bauder. Your partnership with us shows each and every day as your children eagerly come into the building to learn and grow.

With children in mind,

Lisa Bultmann

### Birthday Celebrations

In the past some families have sent in food treats to celebrate birthdays in the Bauder Cafeteria. We have many children that have food related allergies and we are no longer allowing birthday food treats to be shared in the cafeteria. We understand that a child's birthday is a wonderful thing to celebrate and if your family would like to send in something to honor your child's birthday you are welcome to send in pencils, erasers, or some type of trinket from a dollar store. Please send those things to the classroom teacher to be passed out. As always we thank you as we work together to make Bauder a great and safe place to be for children.

### 9/11 Day of Giving Donation Drive

We will be rescheduling this donation drive to later this Fall. Our community was so giving during the hurricane, we do not want to ask for any donations right now. If you had purchased food for this drive, please hold on to it. A flyer will be sent home when a new date is scheduled.
