

Spring (March) Challenge for Biology Students

Spring is in the air, which means it's time to review what you've learned in quarter 3.

View the [10 Interesting Facts for Biology Students: Qtr 3 Edition video](#) and submit the [five-question Biology Fact & Testable Question Microsoft Form](#). During the video you will be asked to take notes and upload a sample of your notes into the [Form](#). You may be prompted to enter your username and password to access the video and form. *This is the same username and password you use when logging in to Clever.*

Scan the code on a phone or tablet to access the **Form**

Here's what you'll get for watching the [video](#) and submitting the [Microsoft Form](#):

1. Knowledge...and we all know that knowledge is **power**
2. The opportunity to earn a pizza or donut party for the students in your Biology class.
3. One entry into a prize raffle for each Microsoft Form submission that you complete. Prizes include mini drones, digital microscope lens attachment for cell phones/tablets, solar robot kits. Microsoft Form submissions are valid 3/1/21 – 3/31/21. You can submit this form multiple times if you have more than one Biology Fact & Testable Question. You can submit this form up to eight times- once for each of the eight Biology Facts.
