

## Bay Vista Fundamental PTA Welcome Letter 2021-2022

Welcome to the 2021-2022 school year! We are so excited to begin another year at Bay Vista Fundamental, and hope you will join us in our efforts to promote inclusion, engagement, and community building. As parents, we all strive to support our children throughout their educational journey. As a Parent Teacher Association (PTA), our mission is to support the school, the staff, and, most importantly, the students and communities we serve.

If this is your first year at Bay Vista Fundamental, the PTA Board extends a very warm welcome to you and your family. For all of our families, we hope that the new school year provides additional opportunities to engage with you through meaningful volunteer opportunities and school events. The PTA sponsors many exciting events throughout the year and we are always looking for volunteers to assist in making these events a success and a positive experience for the students. If you are interested in volunteering, please come see us at the PTA Table to sign up, or email us at [bayvistapta@gmail.com](mailto:bayvistapta@gmail.com).

The PTA Board meetings are open to all of our families, and are held the first Monday of each month at 5pm in the Media Center. If you are not able to join us, that's ok! We will provide updates of the Board activities at each of the General PTA Meetings on the school campus. Additionally, we will have a table at each event where you can interact with us, ask questions, sign up to volunteer, and purchase Bay Vista swag!

Please consider joining the PTA, as all membership dues go directly back to the school to fund much-needed items such as technology, supplies, and initiatives designed to improve our students' educational experience. Joining the PTA is a wonderful way to give back to the school that works diligently to provide our children with the quality education that Bay Vista is known for! PTA
