

Good afternoon Jacobson Tech High families,

this is Mr. Wolfenden, Assistant Principal at Richard O. Jacobson Technical High School. I wanted to let everyone know that we have updated our schedule for next week to reflect no new assignments on Fridays moving forward. Fridays will be used as open office hours for teachers to assist students with any work they are struggling to complete or offer feedback and correctives on work that was not completed accurately. We will also try to use Fridays to schedule ESE and 504 meetings as well as to connect with our student services resources.

We hope this will provide a level of support that will allow everyone to be successful during this transition.

I have attached the schedule shown below and it will be posted to the website along with a transcript of this message.

Thank you to everyone who has checked in with their teachers via Microsoft Teams. Please contact us right away if you are having difficulty getting setup on Teams. We want to make sure everyone is ready to get started at 9am on Monday morning.

Thank you and, as always, We are... Tech High!
