

Become A Plumb Volunteer!

PLUMB ELEMENTARY INVITES YOU TO CONSIDER MAKING A DIFFERENCE! YOU CAN APPLY TO BECOME A VOLUNTEER AT WWW.PCSB.ORG/VOLUNTEERREGISTRATION

Volunteering can be done around your personal schedule in many ways. Volunteer opportunities include:

- Mentoring – Meeting once a week with a student, serving as a role model and support system
- Tutoring – Assisting a student with academic skills as directed by the teacher and within the volunteer's capabilities
- Office/Classroom Assistant – Performing clerical work and/or helping with classroom activities

Additionally, volunteers may participate in the Great American Teach-In, field trips (Level 2 volunteers), and campus events.

We hope that you will consider volunteering at our school.

Contact Tara Tuccitto, Community & Family Liaison, at the front office for more information.
