Net Promoter Score - School

How likely is it that you would recommend your school to a family member or friend? (N=21)

Note: The Net Promoter Score (NPS) serves as a proxy for public confidence in the district. It is calculated by subtracting the percentage of detractors (0-6) from promoter (9-10) which gives a value between -100 to 100. A positive score means there are more people promoting the district than detracting from it. Passives (7-8) represent individuals who do not have an unequivocal opinion about their school or district.
