

Bay Vista Fundamental Elementary 5th Annual Jaguar Jog March 8th - March 12th, 2021

Our school-wide spring fundraiser, sponsored by the Bay Vista PTA, is back! The goal of this fun-filled event is to raise funds while promoting physical fitness and a healthy lifestyle and building school spirit and pride.

Students collect donations that go **directly** to the school for **computers and technology, teacher & volunteer appreciation and many student and family engagement events.**

Due to COVID-19 restrictions, this year's event will look a little different. All students will participate as part of their PE classes—both in person and virtual students will track their activity during the week. At the end of the week, students will receive a **FREE Bay Vista Fundamental Jaguar Jog tee-shirt!**

Donations enable students to win fun prizes!
