

August 1, 2022

Hello Bay Vista Families,

Welcome to Kindergarten! My name is Kimberly Colvin, and I am excited to be your child's teacher. As always, the start of the year holds promises of new learning, discovery and growth. I love this school and our community, and I am looking forward to see where this year takes us.

As we all make our way through the year, there may be challenges, so let us tackle them together as a team. Building a strong relationship between home and school is critical to ensuring success for our scholars. I look forward to getting to know you. I know it will be a wonderful, productive school year! If you are interested in being a classroom representative, please let me know and I will get you more information!

You are invited to Open House on Tuesday, August 16th from 5:30-6:30 p.m. For convenience, please drop off the school supplies that day. The first day of school begins at 8:15am on Wednesday, August 10th. I look forward to a great school year!

** Please look out for an invite for our Class Dojo for quick and easy communication**

Sincerely,
Ms. Colvin

Ms. Colvin's
