

MEET THE TEACHER

welcome to
THIRD GRADE

THE BASICS

It is a pleasure to have your child in our class! We feel that having open lines of communication between school, families, and the student are the key to promoting an educational climate that is conducive to learning. We are looking forward to working with you and your scholar this year!

ABOUT ME

Dr. Dunlow

I have been teaching for 10 years, primarily working in special education. When I am not teaching, I am spending time with my husband and my nephew who mean the world to me!

Ms. Fallon

This will be my 3rd year teaching 3rd grade. Before teaching, I lead camping expeditions and taught environmental science. I love traveling, staying active, and spending time outside!
