

Rising FOURTH GRADE

Summer Newsletter

SUMMER IDEAS

- Create an “All About Me” flyer on Canva or other application
- Write creative stories in a journal
- Practice science experiments with your family or friends
- Check out local museums, libraries, and/or historical spots around town
- Make a list of all the bugs and species that you encounter this summer.
- Change a recipe with multiplication of fractions – What would you need to double/triple a recipe. Practice and enjoy.
- Stretch your problem solving powers: plan and create an invention that helps the world around you.
- Summer Wonders: Record questions that you wonder about in a summer wonder journal.
