

Wednesday Watch No.7

Principal's Note

It was great to see so many of you at the 1st nine weeks awards assembly. Several of our scholars received awards for perfect attendance, kindness, reading, mathematics, honor roll and principal's list. We look forward to many more of our scholars earning those awards for the 2nd nine weeks.

Report cards went home on October 27th. It is important for you to review your scholar's report card, so you are aware of how they are progressing in school. If they are struggling in any area, it is critical that you reach out to the teacher to determine the best way to meet your child's needs, so they are successful in school.

Parents, we are working hard on attendance, it is critical that your child is here every day and on time. When they are absent or late, they are missing critical learning in the classroom. When you review your scholar's report card, please be sure to also review their attendance and the number of times they are tardy. If they are struggling in reading, mathematics, science, and/or writing and their attendance is in need of improvement, this could be a direct reason why they are struggling in school. Please let's work together by having your child at school EVERYDAY between 8:00-8:30. This helps them to have a successful start to their day and could be a key piece to improving their grades.

Thank you for your continued support.

Attention All Kindergarteners!!

This is the final week for our 52 Letters in 52 Days Challenge!!

Starting next week, scholars who know all of their letters will get to be on Mel TV and get a new Pokemon Brag Tag to wear proudly on their backpack! Don't worry ...there is still time to learn more letters and catch them all!! We will keep going until all Melrose Kindergarten kids know ALL of their letters!
