Principal's Note

Dear Parents and Guardians,

We hope this message finds you well. As we move forward in the school year, we kindly request your support in reinforcing these essential values with your children. When scholars embrace these expectations, they not only thrive academically but also contribute to a harmonious school community.

Safe: Encourage your scholars to make safe choices in and out of school. Remind them of the importance of following safety rules, looking out for one another, and reporting any concerns to a trusted adult.

Respectful: Teach your children the value of respect for themselves and others. This includes being considerate of differences, using polite language, and treating classmates, teachers, and staff with kindness and empathy.

Responsible: Help scholars develop a sense of responsibility by supporting them in completing homework, arriving at school on time, and taking care of their belongings. Responsibility also extends to taking ownership of their actions and their impact on the community.

By working together, we can ensure that our scholars not only meet but exceed these expectations. Together, we empower them to become well-rounded individuals who will succeed not only academically but also as responsible and compassionate members of society.

Thank you for your continued partnership in nurturing our scholars' growth. Your involvement is essential in shaping the future leaders of our community.

Warm regards,

Principal Anderson
