

WELCOME TO INTENSIVE
READING

iReady and Elevate

What is iReady?

- iReady is an online program that provides your child with individualized reading & vocabulary lessons.
- These lessons target your child's greatest areas of need to reach grade-level reading comprehension.

How does i-Ready know what type of lessons my child needs?

The i-Ready Diagnostic is an adaptive assessment that adjusts its questions to suit your child's needs. Each question that a student sees is individualized based on his/her answer to the previous question.

- ★ For example: a series of correct answers will result in slightly harder questions
- a series of incorrect answers will yield slightly easier questions

At the end of the Diagnostic, your child's **overall** reading level is revealed as a 3-digit number.

Students also receive individual scores for their vocabulary, for their comprehension of informational text, and for their comprehension of literature. The purpose of the i-Ready Diagnostic is to determine the best way to support your child's learning in the classroom.

When do
students take the
Diagnostic?

Students in all Reading classes take the iReady Diagnostic 3 times per year

Diagnostic 1- Taken in August 2022

Diagnostic 2- January 2023 (after our return from Winter Break)

Diagnostic 3- April/May 2023

Supporting your child during the Diagnostic

Encourage

Encourage your child to get a good night's sleep prior to taking the Diagnostic.

Remind

Remind your child of the importance of the Diagnostic. Please take it seriously.

Discuss

Discuss good test-taking strategies such as the following:

- Read each passage, carefully.
- Read each answer choice to eliminate obviously wrong answers.
- Find evidence/details from the text to support the answer.
- Take his/her time.

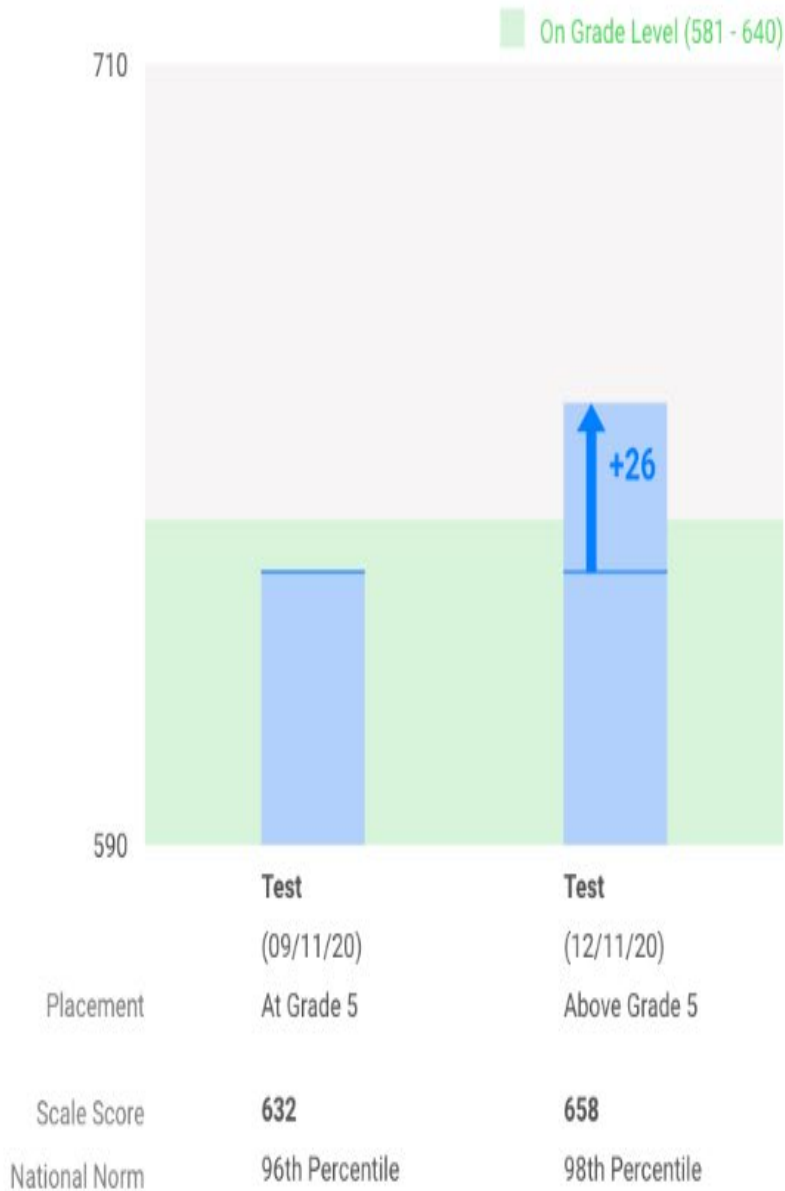

Assessment

Students who meet their i-Ready Diagnostic "stretch growth goal" and score a Level 3 on the FAST will be removed from Reading at the end of the school year.

This will provide your child with the opportunity to take an additional elective of his/her choice.

The best way to meet the i-Ready "stretch growth goal" is to practice and to complete i-Ready computer lessons.

Teacher-led small group in your child's Reading class provides him/her with the reading skills and the strategies that can be applied when taking the FAST.
