

They can cut me down
but
they'll never count me
out.

The grades that I will count this school year are...
60% Participation- I count if he/she tries during instruction time.

20% Homework- Practice makes progress!

20% District Assessments- Essays also count as an assessment.

Clever & PCSB Districtwide Resources

Pinellas County has loaned all students laptops. I urge you to encourage them take full advantage of all the educational programs available to them.

I will put the students' assignments and coursework on Focus, Teams, and eventually Canvas.

I'm still learning it. 😊

Pinellas County schools also has a multitude of resources for your child and family.
