2. Reflections Chairs must submit a Local Unit Reflections Award Log and a Participation Log (both found on our website www.pccpta.org) when dropping off artwork. Please maintain a copy for your records.
3. On every entry form, direct contact information for the Local Unit's Reflections Chair must be included. Please include the Chair's: home or cell phone number, and personal email address that does not end with "@pcsb.org".
4. Submission of any digital copies, for any and all categories, must be submitted on USB Flash Drive ONLY. Please label the flash drive and place in a clasped envelope.
5. 3D Art – 3D Art is considered any artwork that is not completely flat. We will accept 3-5 printed pictures of the art piece. Pictures must include: front, back, and sides. Please also submit a USB Flash Drive with copies of the picture. **Should the artwork advance to Florida PTA, it is the responsibility of the Reflections Leader and/or the Parent/Guardian to package and ship the artwork to Florida PTA by February 2, 2018.*
6. Literature – The original entry AND a copy of the student's writing submission on an USB flash drive.
7. Photography – If there is any text, image, or other editing on a photograph (such as merging or blending two or more photographs together), it MUST be submitted under the Visual Arts category. Otherwise, the entry will be at risk of not meeting Photography category criteria. Single frame photographs only in this category.
