ATTENDANCE
1. For a student’s absence to be excused, the parent/guardian is requested to call the grade level office each day that their child is absent or send a note to the grade level office upon the return to school.
2. Students who have been absent five (5) days or more in a grading period may be required to bring a doctor’s note for each absence. All work missed during any absence, excused or unexcused, is required to be made up within the same number of days as the length of the absence. An “F” will be recorded for any missing work after that time. Work made up for unexcused absences may be assessed as one letter grade penalty. Failure to bring a note by the end of the second day of a student’s return to school will mean the absences are unexcused.
3. Student absences will be excused for illness and death in the immediate family. All other absences to be excused must be approved by the principal at least three (3) days in advance and only will be granted for reasons stated in the Code of Student Conduct. Seminole Middle reviews absences twice monthly in Child Study. After three (3) unexcused absences, students will complete a child study form and return it to his/her guidance counselor. For five (5) unexcused absences a letter will be sent to the parent from the Principal.
4. After arrival on school grounds in the morning, students are not permitted to leave without a permit slip. Students riding a school bus home are not allowed to walk off campus at dismissal and then return to ride their bus home.
5. Permits to Leave: Permits to leave school may be obtained from the grade level office with a note from the parent/guardian before the first period. The parent/guardian must sign out the student in the front office and provide proper identification.

BICYCLES
Students must wear a helmet when riding to and from school. Bicycles must be walked on school grounds. All bicycles will be parked in a special parking area that is locked during the school day. Bicycles are to remain parked until dismissal. Locks are required for all bicycles. Students may not loiter in the parking area. Students who fail to follow expectations for bike riders may lose the opportunity to ride their bicycles to Seminole Middle School.

MOTORIZED VEHICLES
Students are not permitted to park any type of motorized vehicle on the campus of Seminole Middle School.

SKATEBOARDS/SCOOTERS
Students may ride skateboards or scooters to school. They must be stored in the bike or skateboard rack. Skateboards/scooters may not be ridden on campus. Failure to follow these rules will result in a loss of privilege.

STUDENT SUPERVISION
Students are not allowed on campus 30 minutes before the start of the day and all students are expected to be off campus 10 minutes after the last school bell.

CELLULAR PHONES
A student may possess a cellular telephone on school property provided it is powered off and kept in the student’s locker or their backpack. If a student fails to follow this policy, their cell phone will be placed in the front office for the parent to pick up from the hours of 4:30 to 4:45 pm or unless special circumstances approved by the principal. Students who continue to disrespect school cell phone expectations may lose the privilege to bring their phones to school or may be required to drop them off in the front or grade level office each morning and then pick them up at dismissal.

CAFETERIA PROCEDURES
1. Universal free breakfast is served before school for all students.
2. Only students eating breakfast will be allowed inside the cafeteria.
3. School lunch is free for all students.
4. Only bagged lunches from home and meals purchased in the SMS cafeteria are allowed in the lunch area.

After eating, students are responsible for cleaning up their tables and beneath their tables. Faculty on hand will provide trash cans to throw garbage away.

CHANGE OF ADDRESS
Any change of address must be changed by the parent/guardian in Parent Focus and reported to the data management technician. A change in phone number during the school year should be reported to the grade-level clerk immediately. Each parent should list at least one emergency number (other than the home telephone number). All individuals who can sign a student out from school must be noted in Focus and on the student’s contact card.

CLINIC
(For Emergency Use Only)
Students who feel ill should notify their teacher and they will be sent to the grade level office. A parent or guardian will be called to pick up the student from school. The student will then be called from the grade level office to report directly to the front office when the parent/guardian arrives at school. Clinic personnel cannot dispense aspirin or other medications. Students who must take medication during school hours must have an “Administration of Medication” form on file in the grade-level office. All medication to be left in the clinic must be in the original prescription bottle. All school accidents must be reported immediately to the grade-level office so that required reports can be completed.

SCHOOL LAPTOPS
