### School Lunch by Nutrislice

#### By Nutrislice

Open iTunes to buy and download apps.

Free Category: Education Updated: Dec 19, 2012

#### Description

This awesome little app makes finding your school's lunch menu a snap – and encourages the school district to provide more information about the foods they serve, in a way that makes things easy to understand. Finding answers about the foods they serve at school will be just one click – ahem, one touch – away!
