Grade 6 Math Options

- 6th grade students with a Math FSA Score of Level 3 or higher will be scheduled into M/J Accelerated Math Grade 6
- 6th grade students with a Math FSA Score of Level 2 will be scheduled into a double block math course (M/J Accelerated Math Grade 6 paired with Intensive Math).
- In order grade 6 student to take M/J Accelerated Math Grade 7, he/she must take and pass M/J Accelerated Math Grade 6.

Intensive <u>Math</u> Requirement

In Pinellas County schools, Intensive Math is an option used to support students who earn a L2 on the grade 5 FSA assessment. This course is used to provide students with additional academic support.

Reading Requirement

 Middle school students who score at Level 1 or Level 2 on the statewide, standardized Reading assessment or the English Language Arts (ELA) assessment the following year will be enrolled in and complete a remedial course (Intensive Reading).

<u>Sixth grade</u> students who scored *Level 3 or higher <u>may</u> take a year-long reading course* as determined by the school.

Additional <u>Reading</u> Requirement

<u>Sixth grade</u> students enrolled in the gifted elective or a district level application program may exempt this requirement if they scored at Level 3 or above on the fifth grade statewide, standardized Reading Assessment.

Physical Education Requirement

Physical education is required in grades 6, 7, and 8 for a minimum of one (1) semester.

Middle School Physical Education Waiver Process

- A parent/guardian may request a waiver for their student to opt out of physical education.
- These waivers may be accessed through the following process:
 - Access the Pinellas County Schools Homepage (<u>https://www.pcsb.org/</u>)
 - Click on Departments and Divisions
 - Click on Health and Physical Education
 - On the left panel, click on +Physical Education
 - Click on +Middle School Physical Education
 - Click on Middle School Physical Education Waiver, then click on the link.
 - Parents will need to use their log-in credentials to access this site.
 - Once logged in, the online form will appear.

What does a typical <u>sixth</u> grade schedule look like?

On average, students within Pinellas County Middle Schools are on a 7 period school day (very few schools are on a block schedule).

<u>**4 Required Courses**</u> (Language Arts, Math, Science and Social Studies (1) of each)

2 to 3 elective courses (a ½ Semester of PE is required for ALL 6th graders)

Reading and/or Math Intervention is provided to students who are below the proficiency level as measured by the Florida Standards Assessment (FSA).

30 minutes of lunch daily

4 minutes of passing time between classes

Transition Advice for Students & Parents

Get organized.

- ✓ Use a planner or calendar to keep track of due dates.
- ✓ Color-code folders and notebooks or use an accordion file.
- ✓ Keep your locker and backpack cleaned out.

Do your homework.

- ✓ Schedule your time wisely. Allot a certain amount of time every night for homework and study.
- ✓ Start early, don't procrastinate.
- ✓ Keep track of your homework assignments and their due dates.

Communicate

- Ask questions. If you are unsure of an assignment, what you need to be doing or anything, just ask. Your teachers are there to help you.
- ✓ Talk to your parents and keep them informed about what is going on in your middle school life.

Get involved in extracurricular activities.

 Find things that you enjoy - sports, clubs, activities and get involved.

Stay healthy.

- ✓ Get a good night's sleep and eat a good breakfast before school.
- ✓ Choose your friends wisely.

How Do I Become Involved In My Child's School and Education?

Visit your school's parent/student organization such as the Parent Teacher Student Association (PTSA). Go to a PTSA or other parent organization meeting in the spring before your child starts school. Find out how you can join and get involved. Contact your child's school to learn of meeting dates and times.

Keep a family calendar. Ask for a copy of the upcoming year's school calendar and put important dates such as open houses, parent conferences, and holidays on your family's calendar. Encourage your child to add items such as tests, project due dates, and extracurricular activities as well. Make it a point to check it daily.

How Do I Become Involved In My Child's School and Education?

Attend school activities. Go to school functions such as curriculum and career nights, sporting events, or student performances.

Volunteer at home or at school. Participate by mentoring students, helping out in the media center or computer lab, or serving as an advisor for an extracurricular activity or club.

Share your ideas. Find out which school committees seek to include parent representation, such as Title I, School Council, and Family Engagement. Talk to the principal and other parents about getting involved in decision-making processes.

Be an informed parent. Carefully read information sent home from the school on school policies, procedures, curriculum, and meetings. Check out newsletters, websites, and other resources. Learn how to use the parent portal so you can monitor your child's progress daily.

Show your child that you care. Ask your child about his or her school day. Monitor your child's academic, social, and developmental performance. Get to know their interests and what truly motivates them to do better. Support them in those endeavors.
